

Ajax Pickering Hospital Foundation  
**MAYORS' CHARITY**  
Golf Classic

October 10, 2022

Mr. George Ogston  
Gervais Party and Tent Rentals  
75 Milner Avenue  
Toronto, ON M1S 3P6

Dear Mr. Ogston:

*George,*

Thank you so much for being a part of the 2022 Mayors' Charity Golf Classic!

Due to your generosity supporting us with the rentals, this year's tournament raised over **\$286,000** for a new incubator for the NICU as well as more defibrillators for the Ajax Pickering Hospital.

Our hospital staff and physicians are thrilled to have the continued support of sponsors like you.

The new defibrillators are the latest in cardiac equipment. In times of crisis, every second counts and these tools allow our front line staff to quickly provide life-saving care.

As you can see from the bottom photo, the newest members of our community will also be cared for in a new incubator. This critical piece of equipment provides a safe and controlled environment that supports the growth and healing of our premature babies.

This is why the Mayors' Charity Golf Classic is so important; you could be helping your neighbour, friend, stranger or even a loved one.

Thank you again for a truly exciting day of golf in support of great health care at the Ajax Pickering Hospital, and we look forward to seeing you in 2023!

If you have any questions, please just give me a call (905.683.2320 x11501) or send a quick email ([aphfoundation@lh.ca](mailto:aphfoundation@lh.ca)).

Yours sincerely,

*Tracy*
